## **Privacy Policy and Terms & Conditions**

### **Privacy Policy**

Thank you for visiting the web portal of NITC and reviewing our privacy policy.

When you visit our web portal, we do not collect any personal information, like names or addresses.

### **Cookies**

When you visit some web portals, small pieces of software known as cookies may be downloaded on your computer/browsing device. Some cookies collect personal information to recognise your computer during future visits. Cookies do not permanently record data and are not stored on your computer's hard drive; but are stored in memory and are only available during an active browser session. The cookie disappears once you close your browsers.

Our web portal never collects information or creates individual profiles for commercial marketing.

### **Changes to This Privacy Policy**

We may update our Privacy Policy from time to time. All changes will be notified by posting the new Privacy Policy on this page.

Please review this Privacy Policy periodically for any changes.

## **Contacting Us**

If you have any questions about this privacy statement, the practices of this site, or your dealings with this Web portal, you may contact the Institute using the details provided in [Contact](#) page.

## **Terms & Conditions**

The use of the National Institute of Technology Calicut (also referred to as NITC) web portal [www.nitc.ac.in](http://www.nitc.ac.in) is governed by the following terms and conditions.

NITC may change the Terms and Conditions of Use of this web portal. The revised Terms and Conditions will be posted here.

## **Disclaimer**

This web portal is designed, developed and maintained by NITC to disseminate information to NITC stakeholders and the public in general. All information on this web portal has been obtained by NITC from sources believed by it to be accurate and reliable. Though all efforts have been made to ensure the accuracy and authenticity of the content on this web portal, the same should not be construed as a statement of law or used for any legal purposes. In case of any ambiguity or doubt, users are advised to verify/check with the Institute, its departments and/or other source(s), and obtain professional advice.

Information about any individual or entity obtained from this portal cannot be used for any purpose without the due approval of NITC and the individual concerned. Users of this web portal will maintain full responsibility of his/her actions when using the information contained within this web portal.

Being a dynamic portal, the contents of this web portal are subject to periodic update and revision without any prior notice from NITC. NITC reserves the right to make changes to all technical aspects of this web portal including but not limited to the navigation, design, architecture, functionalities, platform and any other technical aspect of this web portal without prior notice.

## **Links on this web portal**

The information posted on this web portal could include hypertext links or pointers to information created and maintained by third parties over whom NITC has no control or connection. NITC is providing these links and pointers solely for the users' information and convenience.

When a user selects a link to an outside web portal, he/she is leaving the NITC web portal and is subject to the privacy and security policies of the owners/sponsors of the outside web portals. NITC does not guarantee the availability of such linked pages at all times, or cannot authorise

the use of copyrighted materials contained in linked web portals. NITC does not guarantee the availability or accuracy of such linked pages at all times.

NITC does not guarantee that linked web portals comply with Indian Government Web Guidelines.

### **Site Security**

This web portal has security measures in place to protect the loss, misuse and alteration of the information. However, due to the nature of Internet communications, no data transmission over the Internet can be guaranteed to be completely secure.

For web portal security purposes and to ensure that this service remains available to all users, NITC uses commercial software programs to monitor network traffic. This is to help identify Unauthorised attempts to upload or change information, or otherwise cause damage.

### **Contacting Us**
