

For academic fees collected from the students of NIT Calicut, either directly or through the payment channels integrated to our ERP, requests for any eligible refund (partial or full amount) may be submitted in the ERP portal within 30 days of payment along with the necessary supporting documents.

We will check these requests and if admissible as per NITC policies, refund will be initiated. Refund of admission fees for the first year students will be taken up by the Admission section. The refund of hostel fees and deposits related to Hostels will be carried out by the NITC Hostel Authorities directly.
