

# Research and Consultancy Units in the Institute

## Technology Business Incubator (TBI)

NITC has a very successful TBI unit

- Established in 2004
- Funding from DST, MSME etc
- Faculty are closely associated with the running of TBI-technical & administrative matters
- Student internships are provided

Please visit the TBI website for further details:

<http://www.tbi.nitc.ac.in/>

This unit will provide support for commercialization of innovative idea/products by students for their innovative projects

Ms Preethi is the CEO

## Centre for Continuing Education (CCE)

The Centre for Continuing Education provides support for conducting faculty development programmes for faculty of engineering, science and management. It also helps working professionals in the industry by offering specialized training programmes. Please visit the CCE website for further details:

<http://www.nitc.ac.in/cec/index.html>

Prof Indira PV is in charge from 2018

## Design Innovation Centre

Funded by MHRD to promote innovation in engineering design started in 2015-2016  
Collaboration with IISc, Bangalore

This unit will provide funding to UG and PG students for their innovative projects
